

# Kodiak-PTT User manual (Android & iPhone)

## 1. Pairing your Kodiak-PTT with cellphone

Power on cellphone Bluetooth setting.

Power on PTT-Z ,PTT-U2. Pair it on the cellphone.

Go to Kodiak APP it's ready to go.

## 2. Change Kodiak-PTT pairing to a new phone:

1. In phone A, forget(un-pair) the PTT in "Setting" -> "Bluetooth"

2. Turn on PTT, make sure it is **NOT** connected to any phone.

3. Press PTT button for 10 seconds then release.

4. Phone B now can scan the PTT button, pair and connect the PTT.
